

GOALS EVALUATION

Name: _____

A “4x3x4” means there are FOUR categories/sections you must classify all of your goals into. For each section, you must include THREE unique goals. For each goal, you must include FOUR specific steps on how you will achieve this goal. All elements below must be included. For every item NOT checked off, a deduction of 1 mark will be applied. A well-developed goals submission including all items listed could result in a 90% grade.
